SUBJECT: New Antimicrobial Registration PRIA Code A 540
Rug Doctor Antibacterial Carpet Cleaner
EPA Reg. No. 49158-R

Dear Marshall:

Rug Doctor, Inc. (Rug Doctor) encloses a submission for the above referenced product. This is a hydrogen peroxide Carpet and Soft Surface Sanitizer for use in institutional and residential use sites. It is a ready-to-use product.

Rug Doctor Antibacterial Carpet Cleaner is a new end-use product utilizing a registered active ingredient and is similar to other hydrogen peroxide products for carpet sanitization. All inert ingredients have been cleared for non-food antimicrobial registrations. Thus it qualifies for PRIA Code A540 with a PRIA fee of \$4,863 and a five month review time. Proof of electronic payment via www.pay.gov is attached to application.

[REDACTED]. Please contact PV Shah, Alga Debesai or Elizabeth Fertich at the Inerts Branch for more information on the approval and acceptance of this proprietary mixture in this new registration.

Rug Doctor Antibacterial Carpet Cleaner is classified as Toxicity Category IV for all required toxicity testing for an end-use product. Rug Doctor has elected to label the product without signal word, precautionary statements or first aid as allowed by this toxicity profile. All toxicity studies conducted on the product are enclosed.

We look forward to a timely review of this submission. If you need any clarification or issues arise during the review of this information, please contact me immediately at 260-244-6270 for resolution.

Sincerely,

David Swain
Agent for Rug Doctor, Inc.
